

187th AHC Reunion 2021
Las Vegas III
Reunion Intro and Schedule November 9 thru 13

Reunion Las Vegas will be at the Orleans Hotel and Casino, familiar to those who attended any of the past two reunions in Las Vegas. The Hospitality Suite will be in the same location as the last reunion here, on the main casino floor just across from the Buffet. It offers lots of room for connecting with fellow brothers of the 187th, family and friends. The hospitality suite also will again host the silent auction. Be sure to bring a contribution to help offset some of the costs of the reunion. Something from your hometown is always popular.

We expect that Las Vegas should be back to “normal” by reunion time so there should be lots of side trips and shows available for you to choose.

The schedule of events is very simple this year leaving lots of time to reconnect with friends.

I have also planned for a new 187th sweatshirt, the artwork courtesy of the well-known artist Joe Kline. An order form is available for ordering the specific size you want and ordering either a Crusader, Blackhawk or Rat Pack logo for the front of the sweatshirt.

I hope you can make this reunion; we all need to get back to the new “normal”.
